Prize Winners.

An offer of \$100 in cash was refused Saturday morning for one Plymouth Rock rooster.

If a poultry fancier was to name the special breed of fowl that this article refers to he would use a lingo decidedly longer than that employed, but in the end it would mean just the same.

The chicken won first premium for barred Plymouth cocks at the exhibition of the Akron Pet Stock & Poultry club. He is owned by J. H. Seston of Canton, and is pronounced one of the finest in the State. He scored 91 1/2 points.

The attendance at the show today and last night was first class. The receipts at the door have been larger than last year and arrangements are already being made for another show next year. The same judge has been engaged. The premiums on chickens and dogs are being paid today. The list of prize winners will be published Monday.

"KIDNAPED"

A Street Car and Took a
Ride.Car Was Damaged \$500—Men Are
Under Arrest.

A quartette of men, supposed to be from Akron, are locked up in Barberton charged with kidnapping a street car.

Sometime after midnight Saturday morning a car was taken from the Rapid Transit street car barns at Barberton and given a little exercise along the line between the Magic City and Johnson's Corners. The gang left the car at the "White Union," and it was at that resort that Marshal Ferguson found the men Saturday.

The car was left standing on the track all night with the trolley upon the wire. The circuit was grounded and the motor burned out. The line could not be used Saturday until the crippled car had been hauled to the barn. An official of the company stated Saturday that the loss would amount to \$500.

The men arrested gave the names of James Strapp, Charles Myers, Guy Andrews and Frank Williams. They pleaded not guilty and were held for trial Monday morning. Their bonds were fixed at \$500 each.

Marshal Ferguson spent Saturday afternoon in search of another man who is supposed to belong to the party. Charles Henline the motorman who ran the car into the barn at midnight believes the fellows came from Akron on the last run.

Paterson, N. J.—The Sheriff today served in extra officers to guard the four men charged with the murder of Jennie Boettcher, during their trial, which begins on Monday. This precaution is taken because of the popular feeling against the prisoners.

Canton, O., Jan. 12.—(Spl.)—Charles Bast, a saloonkeeper, was fined \$20 and costs today for keeping his place of business open on Sunday. It is now claimed that Bast had a friend file the affidavit in order to avoid indictment for the same offense by the grand jury. The State law provides for imprisonment while the city ordinance only provides a fine. The Mayor says that the fine having been imposed will not interfere with the grand jury's investigation.

Cleveland, O., Jan. 12.—(Spl.)—Judge F. J. Wing, Saturday accepted the Federal Judgeship for the Northern Ohio District.

We have at last made the discovery which has baffled chemists and all others for centuries—that of absolutely destroying superfluous hair, root and branch, entirely and permanently, and that too without impairing in any way the finest or most sensitive skin. It is scarcely possible to overstate the importance of this discovery, or the great good and satisfaction it will be to those afflicted with one of the most distressing and aggravating blemishes—that of superfluous hair on the face of women, whether it be a mustache or growth on the neck, cheeks or arms.

The Misses Bell have thoroughly tested its efficacy and are desirous that the full merits of their treatment to which they have given the descriptive name of "HALLER-ALL-HAIR" shall be known to all afflicted. To this end a trial will be sent free of charge, to any lady who will write for it. Without a cent of cost you can see for yourselves what the discovery is; the evidence of your own senses will then convince you that the treatment "HALLER-ALL-HAIR" will rid you of one of the greatest drawbacks to perfect loveliness, the growth of superfluous hair on the face or neck of women.

Please understand that a personal demonstration of our treatment costs you nothing. A trial will be sent you free, which you can use yourself and prove our claims by sending two stamps for mailing.

WILLIAM BUCHEL

Candidate For Representative, is 78
Years of Age.

The announcement that Mr. William Buchtel is to be a candidate for the Republican nomination as Representative has caused some excitement in the ranks of the Young Lawyers' Republican club. Mr. Buchtel allowed his friends to bring him out for the honor. He did not seek the place of his own choice. His candidacy is the result of a meeting held recently. It was claimed by the older members of the party that a candidate was needed who was known throughout the country. It was also desired that it be a man who had not been a chronic office seeker. In Mr. Buchtel they found such a man. His candidacy is unique in some ways. Although he has been a resident of Summit county for many years he has never been elected to any salaried office. He served as City Commissioner by appointment. He was elected to the City Council from the First ward years ago. Previous to that he had been a trustee of Coventry township, afterwards serving in the capacity of township clerk. Aside from these minor offices he has held no official positions. Mr. Buchtel is 78 years of age. He will be the oldest man who has ever sought the nomination for Representative on the Republican ticket. It is generally believed that he will be successful in his candidacy.

It has been rumored that Prof. Seese had decided to withdraw from the race. If this is true the situation becomes much more interesting. It has been conceded that he would be one of the men nominated. With Prof. Seese out of the way there would be a merry struggle for the two nominations.

Fainted.

Emma Johnson Created Excitement
at Court House.

Emma Johnson, the plaintiff in a sensational damage action against Aaron Teple, fainted while on the witness stand this morning.

The young woman had given her direct testimony and was being cross-examined by Attorney L. S. Pardee, when she fell forward striking her face on the floor.

She was picked up and carried into the private office of Judge Kohler, where she was revived. It was two hours before she was able to leave the room.

Miss Johnson claims that the defendant made remarks that have injured her reputation in the sum of \$5,000. The defendant is a well known resident of this city. The plaintiff lives at Fairlawn. She was an orphan and was adopted years ago by George Hiser.

Since that time she has resided with him. It is alleged that the remarks made by the defendant were in regard to the relations which have existed between Mr. Hiser and his charge. Miss Johnson denies all the accusations. The case will take all of next week. It promises to be one of the most sensational tried in the Summit county court in years.

LAST LINKS.

William W. McIntosh has sued Karl Kolbe for \$155 alleged to be due on a note. An affidavit of attachment has been filed with the petition.

The Michigan Fire & Marine Insurance company has filed an answer to the petition of J. P. Whitelaw. It claims that it is not liable for the loss which it claims was the result of the riots in this city.

A committee from the C. L. U. met with the Railway Trainmen's union and presented to them the plan of the C. L. U. for helping to clear up the hospital debt. The Railway Trainmen are not affiliated with any of the other labor unions but are in hearty co-operation with the Summit county union men in placing the hospital free from debt. No action has as yet been taken as a result of last night's conference.

An order was issued by Judge Kohler Saturday morning reducing the fees charged by Sheriff Kelly in connection with the case of the Cleveland Provision company vs. W. H. Sprain. It was claimed that the fees were in excess of the amount allowed by law. The motion to reduce was allowed.

Belle Lefebvre, the plaintiff in an action brought against the Akron & Cuyahoga Falls Rapid Transit company and the Akron Street Railway & Illuminating company was given judgment Friday against the last named corporation for \$250. Both sides give notice of a motion for a new trial.
